Supplemental Type Certificate

Number SR09286RC-D

This certificate, issued to American Eurocopter LLC
2701 Forum Drive
Grand Prairie, Texas 75052-7099

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product--Type Certificate Number : H9EU

Make : Eurocopter France

Model : EC130 B4

Description of Type Design Change :

Installation of provisions for a Spectrolab SX-16 Search Light in accordance with Drawing List 130A82-8016 revision E dated 11/26/03 or later FAA approved change is required.

Limitations and Conditions :

The equipment for which these provisions are intended may not be certified. Additional FAA approval is required for the installation of the equipment and must be evaluated to assure satisfactory compliance with the applicable airworthiness standards. Instructions for Continued Airworthiness 130MMS-011 dated 11/25/03 or later FAA accepted revision is required. Compatibility of this design change with previously approved modifications must be determined by the installer.

"If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission."

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : 07-Jul-03

Date reissued :

Date of issuance : 26-Nov-03

Date amended :
